

Update for May 12th, 2021

<u>OSBCU REMINDER</u> - First off, here's a reminder for you to go and complete the OSBCU survey for Central Bargaining items TODAY OR TOMORROW. The survey is due Friday. This will be your only chance to have input into the process along with the other 55,000 members across the province. You can access the survey by clicking on the following link:

<u>Afternoon Shifts</u> - The Executive had our monthly meeting yesterday and followed up on the emails and messages received about asking the employer for earlier hours on afternoon shift. Taking everything into account, the Executive voted to propose the earlier hours to the HWDSB and I will be sending them a request for that later today. When there is a response to the request, I will be sure and share it with all of you. We are asking for temporary hours of 12-8 for afternoon shifts and for 4 or 6 hour positions, scheduling will be left to the members and area supervisors and be dependent on needs of the building and members themselves. We suggested that those shifts should either begin at 12 or end at 8 to keep things organized.

April Meeting Minutes - The minutes from our April meeting are attached with this email. Please review them before this weekend's meeting.

<u>May Membership Meeting</u> - This weekend's meeting will begin at it's regular time of 10am. We planned to take extra time to present the bylaw revisions but that's been delayed so this week's meeting will just be about regular union business.

The link and phone numbers for the meeting on Sunday are included below,
