

MEMO

Date : January 19th, 2021

From : Blake Corkill, President

To : All Members

In light of the last two days being snow days for the HWDSB and members not being on site in schools and having access to computers if they don't have them at home, we are extending deadlines on a few things for everyone....

1) The deadline for nominating members for the Bargaining Committee will now be noon tomorrow (January 20th). Nomination emails should be sent to cupelocal4153@bellnet.ca and state the your name and the name of the person your are nominating. For example - "Blake Corkill is nominating Archie Walker for the bargaining committee."

2) The member information forms included on the last few updates were to be picked up later this week – that will not be done next week to give members a few extra days. The form is included on the last few updates sent out, which you can also find on the website at www.cupe4153.ca
