**IDEL Days for Casuals with Covid Symptoms** - Casuals must have an accepted assignment and then if unable to attend work due to Covid they would then cancel the assignment and submit a form to Staffing and Operations to request and IDEL paid day. The Board pays the IDEL days (maximum of 3 per the IDEL language) this is paid based on the review of the form submitted through Staffin and Operations. There is one change on the memo – Melanie Kivell has retired and our current staffing officer is Brenda Maxwell and can be reached by emailing [bmaxwell@hwdsb.on.ca](mailto:bmaxwell@hwdsb.on.ca)

Cheers,

Blake

**RE:** **Infectious Disease Emergency Leave (Paid IDEL)**

---

On April 29, 2021, the [Ontario Government passed Bill 284](#), COVID-19 Putting Workers First Act, 2021. Bill 284 amends the infectious disease emergency leave ("IDEL") provisions of the [Employment Standards Act, 2000](#) ("ESA") to provide employees with three days of paid, job-protected leave.

An employee is entitled under certain circumstances up to a total of three (3) paid days of IDEL between April 19, 2021, and September 25, 2021. The IDEL days do not need to be consecutive, and an employee who takes part of a day as paid leave is deemed to have taken a full day of paid leave. If paid IDEL is exhausted, the employee may take up to an additional three (3) unpaid days as per the IDEL [criteria for paid or unpaid IDEL](#).

Any casual employee that finds themselves in this circumstance between April 19, 2021, and September 25, 2021, can fill out the form in the employee web portal entitled "Infectious Disease Pay Request Form" (instructions attached CUPC, NUCE, ESL all other Casual Staff).

If you have any questions about "IDEL", please contact your appropriate Staffing Officer for support.
