

The top 10 tips for getting the most out of your mortgage renewal

Have a mortgage renewal coming up? You may be tempted to simply sign that renewal letter and be done with it (*because time is ticking and interest rates keep on rising*). However, not doing your homework before renewal time could mean missing out on opportunities to save money or switch to another mortgage that's a better fit for your current needs.

Get the most out of your mortgage renewal with these 10 tips: <https://bit.ly/3xxKT7G>. Brought to you by Educators Financial Group.
