

RESP 101: a 3-step guide to maximizing its total savings potential

Did you know that only half of Canadian families are taking advantage of the Registered Education Savings Plan (RESP)? With the RESP contribution deadline around the corner, there's a massive opportunity to kick-start your own child's (or grandchild's) post-secondary savings into high gear going forward.

Here are 3 steps on how to truly maximize the total savings potential of an RESP: <https://bit.ly/3F9SFt1>. Brought to you by Educators Financial Group.
