

# VOTE FOR MARILYN MACALONEY

Hello Brothers and Sisters, my name is Marilyn MacAloney. I am a union activist and held various positions within our local since I was hired, yes even as a casual. I am running for the position of Secretary Treasurer again this term. After stepping into an absent position for some time we were able to get the books back to normal. I have dedicated myself to fulfilling all the duties that are required for this position. My years involved in my husband's business as the financial bookkeeper has given me a long line of experience. With our local I have been involved in:

- ✓ Secretary-Treasurer (Currently)
- ✓ Health & Safety Committee Core Representative
- ✓ Recording Secretary
- ✓ Bylaw Committee
- ✓ Local 4153 Women's Committee
- ✓ HDLC Women's Committee
- ✓ Steward Training Level 1 & 2
- ✓ WSIB Training Level 1 & 2
- ✓ Strike Mobilizer and Picket Captain
- ✓ Trustee – 1 and 3 Year

I know many issues that have arisen within the local and our employer. It is a very rewarding task to help our members and be able to have a voice when we have concerns.

I worked my way up to Head Caretaker on afternoons at Westdale Secondary School. This too has been quite the experience of working with different members in many different scenarios and enjoy the fun we can have as a crew. We need to be able to work with each other and enjoy what others can offer.

With all this knowledge of what is expected of us we can only try as much as possible to educate. By doing this we need more training, and I will bring every effort forward for more training as some of you have seen. I will bring forward a budget that will accomplish this for our members.
