

Demystifying Responsible Investing: what you need to know

“Sustainable”. “Green”. “Ethical”. “Responsible”.

Although described in many different ways, investing in funds or companies that reflect your values has been one of the fastest-growing investment trends in recent years. Around the world, investors expect to increase the share of sustainably invested assets from 18% to 37% by 2025.¹

If you're one of the many investors interested in supporting environmental, social, and corporate governance causes, here's what you need to know: <https://bit.ly/494oGxS>.
