Dear Brothers and Sisters.

My name is Chris Cosby; I started with the Board in 2021. I'm a Lead Mechanic for the board. I was with Teamsters Local 879 for ten years and gained valuable Shop Steward experience while I was there. I'm a leader, a team player, always looking out for what's best for my fellow brothers and sisters. I'm a Union Activist! and I am not afraid to stand up to management for you. I think with the experience and determination that I have, I can be an asset as an Elected Official for this Union and I'm ready to fight for you.

I've been nominated for the following positions: Chief Steward, 2nd Vice-President and as a member of our Negotiating Committee. Our membership gains will and always has been my priority, plus transparency is key, and I will definitely do that. I will loyally support you every step of the way!

I would greatly appreciate your vote on June 19th.

In Solidarity ~ Chris
