

## RRSPs: what's fact, what's fiction, and what's specific to education members

For most education members, saving for retirement begins with that very first pension contribution. While having the benefit of OTPP/OMERS should, in theory, provide you with financial security in your 'after school' years, just under half of you (47%\*) don't think your pension will actually be enough.

That's where the Registered Retirement Savings Plan (RRSP) comes in to fill the gap... or does it? Read on for educator-specific facts about RRSP contributions: <https://bit.ly/3MR3GVU>.
